

## Father's Day Weekend

We will be hosting our annual Father's Day weekend event at King's Camp June 14<sup>th</sup>. This is a great evening of flyfishing, sand volleyball, swimming, and fellowship. We will enjoy dinner and praise & worship over a fire. Fathers and their kids are invited to camp and then attend the Red Brick Church for worship on Sunday. This is a great event to invite friends who don't attend church. You can register on our website [mendingflyfishing.com](http://mendingflyfishing.com). Space is limited!

Thank you to everyone who came out and supported us at the Bowling Event this winter! Your support allows us to upgrade our rods to improve the families' experience. We can also give away more devotional materials to fathers as we encourage them to lead their families well.

We had a great first Father and Kid Breakfast and are excited to host it again next year!
