REDEEMING RELATIONSHIPS THROUGH FISHING

We pray that everyone had a wonderful 2024. We were blessed to take many fathers and kids out fishing this year through individual trips and group outings. We also hosted a few clinics early in the spring. We are excited to see what God has in store for 2025 as we make more connections in Rockford area churches, school, and the surrounding community.

We are passionate about Fathers being the spiritual leaders in the family. The mission of Mending Ministries is to encourage fathers to intentionally invest in the lives of their children. Our children need to be shepherded and reminded of the Gospel and grace of Jesus Christ every day.
